

Easy online energy management

Energy Manager: Digital access to your accounts, anytime

Constellation's web-based customer service platform, Energy Manager, puts energy management at your fingertips 24/7. You'll have access to all of your accounts, key analytic reports to monitor your energy usage, and can easily pay your bill online – even from your smartphone.

Electric and natural gas accounts – all in one place

It can be frustrating to juggle multiple logins just to pay bills online. At Constellation, we've made it easy. Now, with Energy Manager, you can access all of your facilities and accounts – electric and natural gas – all in one place. With one login, you can quickly access all of the great features of Energy Manager.

Have a team supporting your energy management? You can give each team member their own personalized login account. It's your choice.

Key Energy Manager features:

- **Single, secure access to all accounts**—Direct access to your electricity and natural gas information online.
- **Suite of reports**—Review your energy data in summarized and detailed formats. Get market insights and subscribe to expert newsletters right from your personalized dashboard.
- **Invoice and transaction history**—View invoices and payment history and download copies of your previous bills.
- **Online bill pay**—Easily access one-time bill pay for all of your accounts or set up auto-pay to make paying your bills effortless.

America's energy choice®

Deep dive into your analytics

Get visual with your energy data. With Energy Manager, you can easily view all of your accounts mapped out and get key insights on your energy usage. With our advanced reports, you can quickly spot spikes in energy and view anomalies in your energy usage year-over-year.

On the go? Our reports are easy to view – whether you are on your desktop, tablet or smartphone.

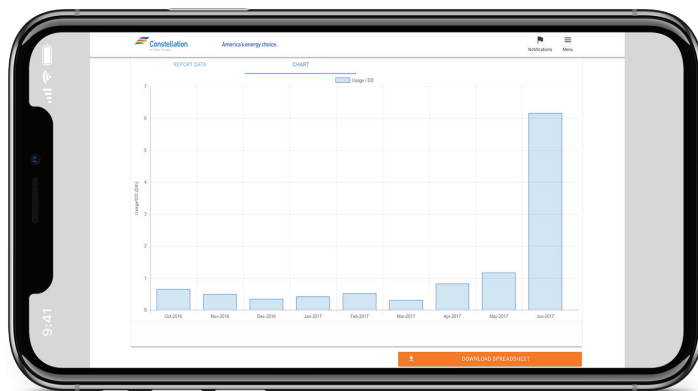

Expand your ways to pay

Forget writing another check. Online payments are quick and easy to set up through Energy Manager. You can pay by ACH (checking or savings account) or credit or debit card. Schedule payments for today or in the future. You can also set up auto-pay for your accounts – payments will automatically be deducted each month.
